#### ABOUT LADY FORTUNES® ICING CHARMS™

IN 2004, Daria Artem opened Lady Fortunes Gourmet Cookie Company with money she and her fiance saved up for their wedding to start a business that combined her love of sweets with creativity in designing new products.

In 2006, Daria landed a feature in the Harry & David® for Gigantic decorated gourmet Fortune Cookies for Valentine's Day. The red heart icing decos she purchased to embellish her cookie creations were unavailable so she had to learn to make them on site. Being a quick learner, she learned to pipe hearts and trained several of her staff to make up for the red hearts they needed for the season. After that, Daria and her staff began piping all their decos in house.

Today, we have thousands of in stock designs for all Holidays, Special Occasions and Just Because.... our adorable embellishments will add value to any cookie or treat. Custom icing decorations are available upon request.

All our decos are 100% hand made right here in the USA! Place an order with one of our friendly Sugar Specialists today!
